

IN CASE OF EMERGENCY

**3 TRAMUA KITS ARE AVAILABLE ON THE PROPERTY
THESE KITS ARE FOR LIFE SAVING PURPOSES AND NOT FOR SMALL INJURIES.**

1 KIT IS AVAILABLE AT THE CLUBHOUSE TO BE TAKEN AND PLACED NEAR A SHOOTING EVENT. THE EVENT CORRIGNATOR IS RESPONSIBLE FOR MAKING SURE THE KIT IS IN CLOSE PROXIMITY SHOULD AN INCIDENT TAKE PLACE.

**2 KITS ARE AVAILABLE ON RANGES 3 AND 5 (50 YD AND 100 YD RANGES.)
FIND THE FIRST AID KIT SIGN AND FOLLOW THE ARROW TO THE ORANGE BUCKET.**

It is everyone's responsibility to know where the trauma kits are located on the ranges.

A sample trauma kit is available at the clubhouse for every membership meeting and shooting event. If you would like to review contents and touch the items, we will always make time for you to do so. Any in-person review of the contents outside of these times is available upon request.
